

JIANGSU PROVINCE

Modern, Yet Ancient

Located in South-east area of China, her perfect blend of ancient and modern China attracted over 32,000 international students in 2016. Jiangsu Province is China economy's lead player with annual records in education, GDP and many more.

JIANGSU UNIVERSITY

All You Need

With over 100-year history, JSU revives teaching and research with emphasis on engineering and allied disciplines. It is one of the first groups of universities that offered doctoral programs for students in China. Education here is tailored to student needs.

A PLATFORM FOR ALL

Unleash Your Greatness

We pamper students to improve the 4Cs "Critical Thinking, Collaboration, Communication & Creativity". JSU always offers platforms to students with creative ideas and talents. You might be the next! Check our website for students' success stories.

CAREER OPPORTUNITIES

Access Through Alliance

JSU's alliance with a numerous enterprises is a hub to provide internship and career opportunities to it's students. Let us plan your future, even before you graduate. JSU is one of the first universities in China to have an "own" alliance to train international talents.
